MAKE UPS

Please do not just show up to do a make-up. Our classes will start filling up in the winter terms and it is very important to us to maintain a small teacher to child ratio. It is not guaranteed that if you show up to do a make-up without calling that you will be allowed in the class.

REMEMBER:

We will not have classes December 17-30,

Registering for the next term

It is very important to register for the next term if you are wanting your child to be in a particular class with a specific instructor. Starting in week three, each family will receive an invoice for the next term. If this invoice is not paid by the last week, we cannot guarantee a spot in the same class for the following term (We want to put MEGA's present students first!) and the child's name will be put on a waiting list. If need be, we can and will open up more classes. Please do not "show up" for a class that we are unaware your child is in. Our instructors make lesson plans to progress the students and at times, exact numbers are needed.

Thank you for being cooperative!!
